**Why? Coaching produces results.**

[In the Success Principles...How to get from where you are to where you want to be](#), Jack Canfield's Success Principle #45 is "Hire a Personal Coach."

**If you aren't being successful in relationship, whether you are single or with a partner, why NOT hire a coach?** Make a choice to move from Victim to *Empowered Person* in all of your relationships.

Observe anyone at anyone being successful in any way - they've all had valuable guidance and direction, and more often than not, it comes in the form of a coach. Personal fulfillment and success comes from living the life you were designed to live. If your desire is to have a fulfilling relationship, and you don't have one, then it is time to consider a coach. One-on-one coaching will help you accelerate your relationship success.

The first requirement is that you have to change the way you think. This leads to a change in your actions, producing the results you desire. If you have thought that you can "do it on your own," and you haven't been successful in relationship, isn't it time to reconsider and **CHANGE THE WAY YOU THINK?**

#### **FOUR UNIVERSAL PRINCIPLES GUIDE MY COACHING**

- 1. We are all connected.**
- 2. Who we are is enough.**
- 3. There are enough resources of everything in the universe.**
- 4. Non-judgment is essential.**

Your relationship transformation begins *first* with *YOU*, not OTHERS. A healthy love and respect for self is the foundation for attracting authentic love into your life.

You've heard the saying, if you don't like the results you are getting, then change the behavior that produces those results. As a Life and Relationship Coach, I understand what roadblocks and behaviors are holding you back. I support you in loving yourself and making a commitment to create an...
